

PolyMelt

Switch Deicer/ Winter Lubricant

PolyMelt is ideal for Railroad Switches, Truck Scales, Chutes, Loading Docks, Sidewalks, Ramps, Stairs, Material Handling -anywhere ice is problematic.

PolyMelt is a potent non-chloride green liquid ice melter that will stick to any surface, thus preventing ice buildup or adherence.

PolyMelt has a Eutectic Temperature of -36°F with a high dilution capacity.

PolyMelt is considered non-corrosive- with a PNS tested corrosion value as less corrosive than distilled water

PolyMelt is composed primarily of materials derived from the processing of starches and sugars making it economical and readily available.

PolyMelt is nontoxic and non-hazardous to plant and animal life, and in the environment.

PolyMelt bio-degrades readily and completely to carbon dioxide and water.
